

Faux Cloisonné

This is a very elegant technique that will look like you really fused but is super simple.

1. Pick a colorful page from a glossy magazine.
2. Stamp your image with Versa Mark or Gold Encore Pad
3. Pour gold embossing powder over the stamped image
4. Heat with your heat tool until embossing powder turns shiny. Be sure to not over heat your powder.
5. Cut out your image and create your card.
