

Baby Wipes & Reinkers to create a custom Ink Pad

1. Take a few layers of baby wipes, I place them in my embossing powder tray.
2. Stamp image into the baby wipes making an impression of the stamp image.
3. Choose 3-4 coordinating ink refill colors and drop on the baby wipes stamped impression.
4. Wait a few minutes for the reinkers to spread.
5. Then use it just like an ink pad to ink your stamp and stamp.
